MEMORANDUM TO: Chief, Interdepartmental Coordinating
and Planning Staff

SUBJECT: CIG 21

1. The following comments are offered on CIG 21, subject: Political Psychology:

a. A coordinated exploitation of enemy document repositories for material relating to Political-Psychological Warfare should be undertaken.

b. The priority of such a program at this time is questioned.

c. So far as is known CIG is not prepared at this time to undertake such a program.

2. It is recommended that the question of the subject program be held in abeyance until the document situation is sufficiently clarified for constructive CIG recommendations.
